

2025 Waukegan Men's League

This year, we will again have two leagues. Wednesday League has weekly tee times starting at 1:00 pm and the Thursday League begins with a shotgun start at 5:30pm. League play will begin on May 21st for Wednesday League, and May 22nd for Thursday League, and will continue for 13 weeks ending on August 14th. Both leagues will conclude with a 4:00pm scramble on August 14th followed by a Banquet and Awards ceremony in the Barn. The League Dues for the 2025 season will again be \$50.00 per player and each player is responsible for any weekly green fees and/or cart fees outside of those that are covered by your Membership if applicable.

All players must have an **ACTIVE GHIN** handicap **OR** have participated in last year's league play so we have your league average to start the year. If you are new to the league and you do not have a GHIN handicap, we request that you submit a minimum of three attested 18 hole scorecards from the 2025 calendar year before being allowed compete in league play so we will have a realistic starting handicap for you. During the season we will use each player's league scores to update their league handicap.

Wednesday League will again be a team head-to-head point quota format this year and the head-to-head component will be based on a two-man combined point quota tally. You will be competing directly with a different team each week. Three points will be awarded to the winning team; one point will be awarded to each team in the event of a draw. Each team will also have their weekly +/- factored into their weekly points total as well. Quotas will be adjusted weekly to factor in each team's performance from the prior week. The team with the highest point total at the end of season will be declared the league champion. By virtue of this format, it is not necessary to "hole out" each player's ball as no points can be gained once a score of double bogey is reached. Each person may choose their own partner, or you may contact the Pro Shop and we will try to put you in touch with any other players that also need a partner. USGA and local rules govern all league play.

Thursday league will be diverting back to a two man match play best ball format. The lowest individual net score will determine the winner of each hole. Three points will be awarded to the team who won the match and one point will be awarded to both teams in the event of a draw. Each individual hole won by each team is worth one additional point. A tied hole will result in each team receiving a ½ point. Scoring averages will be adjusted every week. After 10 weeks the top 8 teams will qualify for the playoffs. The finals will be held at 4pm on banquet night August 14th.

Let's all make the effort this year to take the course with all teams fully represented every week. Each team is responsible for securing a substitute if one or both team players must be absent for a given week. The Pro Shop will try to help you by giving you the names of possible subs, but we cannot guarantee we will be capable of making all the arrangements. Please notify the Pro Shop if anyone on your team will be absent so we can let potential subs know there is an opening. **You must let the Pro Shop know, at least 24 hours before the start of play.** If a substitute is chosen that does not have an established league quota, the substitute must have an **ACTIVE GHIN** handicap to participate. If any team feels that the stated handicap of a sub was inaccurate the League Committee will review the scores and have final say on whether it was accurate. Adjustments will be made if appropriate.

Everyone who played last year will be given priority this year until April 15th. Your form and League Dues must be received by this date. We currently have a wait list that runs very deep, and after April 15th, we will begin to take on new teams, and you may lose your spot as a league participant.

Thank you for making this the best league in the Lakes Region. We look forward to another excellent season.
